01 | What is Problem-Solution Fit?

Definition & Purpose - Team SWTID-2026-4326

Team ID: SWTID-2026-4326 | Date: 01/10/2026 | DEFINITION:

Problem-Solution Fit means you found a customer problem and your solution actually solves it.

For IT Procurement: Employees need laptops quickly, IT struggles with manual approvals and 14-day delays.

PURPOSE (For Laptop Automation):

- 1. Solve manual procurement pain fitting state of employees & IT managers
- 2. Succeed faster by tapping existing ServiceNow Flow Designer channels
- 3. Sharpen communication: Order Laptop in 2 Clicks, Track Live
- 4. Increase touch-points solving frequent annoyance - 14 day delay is urgent
- 5. Understand manual email/excel process to improve for target group
